Thank you Peter we appreciate the support! That is a great group of states on the brief, thanks for putting this together.

Thank you Peter, I received a copy of your merits brief from someone recently. Very well written, we definitely used it to try and focus our arguments on the standard of review issue in our Petition for Rehearing En Banc. We continue to work on our draft Petition and plan to file next Tuesday.

Amicus support is welcomed and we appreciate the support, especially given the broad impact the panels incorrect decision will have nationwide. Hopefully the Court will agree and grant the rehearing.

Thanks again.

Clayton, hi, haven't talked for a while, hope all is well, other than that horrible 10th Cir decision.

I don't know if you know, but we represent Arizona in its similar appeal of EPA's regional haze decision as to Arizona. I saw today that AG Pruitt has announced that you will file a petition for rehearing en banc. I'm really glad you decided to do so.

I'm attaching the brief we filed in the Ninth Circuit. It was submitted about a week after the OK decision came down, so we addressed the decision in our brief. You will see we spent a great deal of time on standard of review, because we felt that is the key issue in the case – and where the 10th Circuit really got it wrong because I think its decision conflicts with the Supreme Court's decision in *Alaska DEC v. EPA*. It could be a fruitful argument to make in the rehearing petition.

In fact, I have recommended to the AZ AG's office that they file an amicus brief in support of your rehearing request in which they would make this argument, and maybe join with a couple of other states in doing so. Hopefully, we can make that happen.

Good luck.

Melissa: I was out on Thursday Friday and didn't see this, so sorry! Were you able to get with Sheila and get upstairs!? So sorry, I was on grandmother duty with a two-year old and didn't even have time to check e-mails over the weekend. Hope it all went well. I feel bad that I wasn't checking on things and didn't get this sorted out for you.

Hi Pam! Thanks so much for helping us out today. It will probably be later this afternoon before we come over. We will have a late lunch in Brick town and then come over maybe around 2pm? Would that work for you? My cell is 850-0161 (if you don't still have it) and you can reach me on it. Thank you again!

I'm out of town as is Derek. Pam could you escort Melissa and crew to 50? I think that's better than Vast because of the dress code and they get a little persnickety.

Allen Wright

So I have an odd question for you... My boys are out of school and my father is in town from NC so we are playing tourist in OKC today. One of the things the boys wanted to do was go to the top of the Devon tower. I know it's shocking - but I've actually never been in the tower - just the lower level for gelato ;-)

We aren't going to have lunch there - and will be dressed like tourists - but is it possible to ride up to Vast and take a look around? I didn't know if you needed reservation or anything to get through security?

Sorry to ask you such a trivial matter but thought you may be able direct me with some info?

Thanks for your help!

You are so sweet! I could let Shelia Harder know too but I don't seem to have her email address. We will be up later today I will email when I have a better time. We're going to skeleton museum first - yes I do have boys!

Thank you again so much for your help on this! Very sweet and you'll be making 2 little boys very happy!

Subject: Chapter 35 Electric Utility Rulemaking - Interim Comment Revisions
Date: 01/08/2014 04:33 PM
Attachments: [Chapter 35 - Revisions - Condensed Comments.docx](#)

All:

The attached document reflects the most recent round of revisions to the proposed rules for Chapter 35. The revisions were made after Staff's review and consideration of all interim comments received December 18-19, 2013. The second technical conference for Chapter 35 will be held on Tuesday, January 14, 2014 at 10:00 in Room 301. A call-in number will be provided soon.

Subject: Chapter 35 Electric Utility Rulemaking - Interim Comment Revisions

All:

The attached document reflects the most recent round of revisions to the proposed rules for Chapter 35. The revisions were made after Staff's review and consideration of all interim comments received December 18-19, 2013. The second technical conference for Chapter 35 will be held on Tuesday, January 14, 2014 at 10:00 in Room 301. A call-in number will be provided soon.

Subject: Chapter 45 Proposed Rules Revised From Interim Comments

Please find attached to this email the Chapter 45 proposed rules that were revised as a result of the interim comments received by the Public Utility Division on December 18-19, 2013. The next technical conference for the Chapter 45 proposed rules will be held on January 14, 2014, at 1:30 p.m. in courtroom 301.

Thank you.

(I apologize if you have received this e-mail twice).

Subject: RE: Notice of Public Meeting for December 11, 2013 Ch. 35 Electric at 10:00 am & Ch. 45 Gas at 1:30 pm

All:

Below is the telephone number and conference code for those wishing to participate via telephone in the rulemaking technical conferences tomorrow, December 11, 2013. The telephone number and code can be used for both the 10:00 a.m. technical conference (Chapter 35, Electric Utility Rules) and the 1:30 p.m. technical conference (Gas Rules).

To access this conference via telephone, please call a number from the list below:

405-521-4496 (Oklahoma City, OK)

When prompted for your conference code, please enter 230198 on your telephone keypad.

Please do not disclose this information to any unauthorized parties, as the privacy of your conference may be compromised.

Thank you.

Subject: Devon Energy Pre-Registered Visit Scheduled
Date: 11/14/2013 02:59 PM
Attachments: [appointment.vcs](#)

Dear Melissa Houston,

Welcome to Devon Energy!

Our records indicate that you have a scheduled visit at Devon Energy to meet with Sheila Harder on 11/15/13 3:00 PM.

Please check in at the main lobby of the Devon Energy Center located at 333 West Sheridan, Oklahoma City, Oklahoma 73102. Upon arrival, please proceed to the receptionist desk in the main lobby to obtain your visitor badge. Visitor parking is available at the northeast entrance of the Devon Energy Center Parking Garage on the first floor. The parking garage is located on the west side of Harvey Avenue, between Park Avenue and the Devon Energy Center. A parking garage attendant will greet you and ask for your name before granting access.

If you have any questions, please do not hesitate to call the reception desk at (405) 235-3611.

Sincerely,

Devon Energy Reception

Please do not reply to this auto-generated email notification from Visitor Management.

Subject: Dec. 10th NPS Work Group Meeting Reminder!

I hope you have all survived the winter weather we've been having! I wanted to remind you about our NPS Working Group webinar tomorrow Tues. Dec. 10, 2013. Hopefully you got the meeting notice last week with a few questions we had regarding the re-ranking of waterbodies. As mentioned we have discovered a few things as we began pulling information together that we would like your input on. I have included them here again for your convenience. Below is the call in and website link

for you to join the conversation. Please don't hesitate to contact me with any questions, and as always you are welcome to join us in our offices at 4545 N. Lincoln Blvd. Ste 11 if you want to participate in person.

Jeri Fleming

1. Wetlands gains/losses metric – The UWA includes a metric that scores watersheds based on wetlands loss estimates. The current source of data (USDA NRI study) renders probabilistic based estimates for HUC 8 watersheds, but over half of the watersheds show margins of error that far exceed the estimate itself. Are there other sources/ideas to represent wetland gains/losses in the scoring regime?
2. Conservation Programs metric – The WG voted to amend the “NRCS LEA” metric to include other conservation related programs (e.g., CRP, WRP) in addition to source water and well head protection areas. A quick application of this appears to show a bolstering of scores for most watersheds with somewhat limited separation. We are proposing to potentially incorporate an element of actual areal percentage of these programs by watershed in place of or in addition to the current presence/absence scheme. Issues or comments?
3. Stream equivalence for lakes – The WG voted to amend the manner by which stream equivalence was rendered for lakes from the simple areal multiplication method to the actual NHD hi-res stream network underlying the lake footprint. This appears to be rendering a much more realistic stream equivalence. However, due to the more refined spatial focus of HUC 12s, this means that watersheds with impaired lakes may still receive the maximum score since most of the watershed will be impaired. We still have more work to do to verify this, but please consider possible ways by which we can more equitably and reasonably represent watersheds with lakes.

Call in information for the webinar is as follows:

Jeri Fleming has invited you to a conference call: **NPS Management Plan Working Group Meeting.**

This conference is scheduled to begin on **December 10, 2013 at 09:00 AM** CST+ DST (Central).

This conference is scheduled to last for 120 minutes.

To access this conference via telephone, please **call 405-521-4496**, Oklahoma City, OK.

When prompted for your conference code, **please enter 618163** on your telephone keypad.

To access the data portion of this conference, please visit the following URL

and then follow the instructions:

[http://meetingexchange.ok.gov/Conferencing?
BrandPrefix=AVAYA&ConfRef=132890&Pin=618163](http://meetingexchange.ok.gov/Conferencing?BrandPrefix=AVAYA&ConfRef=132890&Pin=618163)

As always feel free to contact me with any questions.

Subject: 2013 NPS Annual Report Info Request
Date: 01/02/2014 01:39 PM
Attachments: OCC 2012 Annual Report.pdf

Happy New Year!

The Oklahoma Conservation Commission is compiling the Oklahoma Nonpoint Source (NPS) Management Program Annual Report for FY 2013. Oklahoma's NPS management efforts involve many partners in state, federal, and tribal programs, and it is our desire to reflect significant accomplishments over the past year.

Please submit a **brief** summary of your agency's FY13 NPS management activities for inclusion in this report. You could even just send a bulleted list. Inclusions should focus on significant accomplishments, quantifiable water quality improvements, and future actions planned with regard to nonpoint source issues. In addition, please include goals/milestones of your NPS project, partners in the project, and funding amounts/sources.

Pictures are highly valued and encouraged!

Reporting period: FY 2013 (Oct 1, 2012 to Sept. 30, 2013)

Submittal Deadline: January 17th, 2014

About the NPS Program Annual Report

- EPA and the State use the report to determine the State's progress in implementing the NPS Program.
- The report is to be an easy-to-read, short reference to the status of the State's efforts to address NPS impairments.
- The report is written for the EPA, State, and public audiences.
- The NPS Annual Report reaches beyond those efforts and actions funded with 319(h) and reports on all program mechanisms outlined in the State's NPS Management Program.

I have attached last year's report for easy viewing, if you would like to see the type of info that we need.

To view previous years' reports, please visit our website:

http://www.ok.gov/conservation/Agency_Divisions/Water_Quality_Division/WQ_Reports/WQ_Reports_Annual_Reports/

If any facet of your program has addressed NPS issues this year, please send the pertinent information to Stacey Day at stacey.day@conservation.ok.gov

Thanks for your help!

~~~~~

**Subject:** Chapter 45 Proposed Rules Revised From Interim Comments

Please find attached to this email the Chapter 45 proposed rules that were revised as a result of the interim comments received by the Public Utility Division on December 18-19, 2013. The next technical conference for the Chapter 45 proposed rules will be held on January 14, 2014, at 1:30 p.m. in courtroom 301.

Thank you.

(I apologize if you have received this e-mail twice).

Judith L. Johnson, Senior Attorney  
Office of General Counsel  
Oklahoma Corporation Commission

**Subject:** Chapter 45 Proposed Rules Revised From Interim Comments  
**Date:** 01/08/2014 04:32 PM  
**Attachments:** [Ch 45 Gas - Revised per Interim Comments by PUD + JLJ \(2\) \(2\) Jan 8 2014.docx](#)  
[Ch 45 Gas - Revised per Interim Comments by PUD + JLJ \(2\) \(2\) Jan 8 2014.docx](#)

Please find attached to this email the Chapter 45 proposed rules that were revised as a result of the interim comments received by the Public Utility Division on December 18-19, 2013. The next technical conference for the Chapter 45 proposed rules will be held on January 14, 2014, at 1:30 p.m. in courtroom 301.

Thank you.

(I apologize if you have received this e-mail twice).

**Subject:** Chapter 35 Electric Utility Rulemaking - Interim Comment Revisions  
**Date:** 01/08/2014 04:33 PM  
**Attachments:** [Chapter 35 - Revisions - Condensed Comments.docx](#)

---

All:

The attached document reflects the most recent round of revisions to the proposed rules for Chapter 35. The revisions were made after Staff's review and consideration of all interim comments received December 18-19, 2013. The second technical conference for Chapter 35 will be held on Tuesday, January 14, 2014 at 10:00 in Room 301. A call-in number will be provided soon.

**Subject:** Chapter 35 Electric Utility Rulemaking - Interim Comment Revisions

All:

The attached document reflects the most recent round of revisions to the proposed rules for Chapter 35. The revisions were made after Staff's review and consideration of all interim comments received December 18-19, 2013. The second technical conference for Chapter 35 will be held on Tuesday, January 14, 2014 at 10:00 in Room 301. A call-in number will be provided soon.

**Subject:** Chapter 45 Proposed Rules Revised From Interim Comments

Please find attached to this email the Chapter 45 proposed rules that were revised as a result of the interim comments received by the Public Utility Division on December 18-19, 2013. The next technical conference for the Chapter 45 proposed rules will be held on January 14, 2014, at 1:30 p.m. in courtroom 301.

Thank you.

(I apologize if you have received this e-mail twice).

Judith L. Johnson, Senior Attorney  
Office of General Counsel  
Oklahoma Corporation Commission  
P.O. Box 52000  
Oklahoma City, OK 73152-2000

**Subject:** Dec. 10th NPS Work Group Meeting Reminder!  
**Date:** 12/09/2013 02:59 PM

---

I hope you have all survived the winter weather we've been having! I wanted to remind you about our NPS Working Group webinar tomorrow Tues. Dec. 10, 2013. Hopefully you got the meeting notice last week with a few questions we had regarding the re-ranking of waterbodies. As mentioned we have discovered a few things as we began pulling information together that we would like your input on. I have included them here again for your convenience. Below is the call in and website link for you to join the conversation. Please don't hesitate to contact me with any questions, and as always you are welcome to join us in our offices at 4545 N. Lincoln Blvd. Ste 11 if you want to participate in person.

Jeri Fleming

1. Wetlands gains/losses metric – The UWA includes a metric that scores watersheds based on wetlands loss estimates. The current source of data (USDA NRI study) renders probabilistic based estimates for HUC 8 watersheds, but over half of the watersheds show margins of error that far exceed the estimate itself. Are there other sources/ideas to represent wetland gains/losses in the scoring regime?
2. Conservation Programs metric – The WG voted to amend the “NRCS LEA” metric to include other conservation related programs (e.g., CRP, WRP) in addition to source water and well head protection areas. A quick application of this appears to show a bolstering of scores for most watersheds with somewhat limited separation. We are proposing to potentially incorporate an element of actual areal percentage of these programs by watershed in place of or in addition to the current presence/absence scheme. Issues or comments?
3. Stream equivalence for lakes – The WG voted to amend the manner by which stream equivalence was rendered for lakes from the simple areal multiplication method to the actual NHD hi-res stream network underlying the lake footprint. This appears to be rendering a much more realistic stream equivalence. However, due to the more refined spatial focus of HUC 12s, this means that watersheds with impaired lakes may still receive the maximum score since most of the watershed will be impaired. We still have more work to do to verify this, but please consider possible ways by which we can more equitably and

reasonably represent watersheds with lakes.

Call in information for the webinar is as follows:

Jeri Fleming has invited you to a conference call: **NPS Management Plan Working Group Meeting.**

This conference is scheduled to begin on **December 10, 2013 at 09:00 AM** CST+ DST (Central).

This conference is scheduled to last for 120 minutes.

To access this conference via telephone, please **call 405-521-4496**, Oklahoma City, OK.

When prompted for your conference code, **please enter 618163** on your telephone keypad.

To access the data portion of this conference, please visit the following URL and then follow the instructions:

[http://meetingexchange.ok.gov/Conferencing?  
BrandPrefix=AVAYA&ConfRef=132890&Pin=618163](http://meetingexchange.ok.gov/Conferencing?BrandPrefix=AVAYA&ConfRef=132890&Pin=618163)

As always feel free to contact me with any questions.

**Subject:** Southwest Power Pool (SPP) Educational Session at OCC

All;

I wanted to advise you that the Southwest Power Pool (SPP) will be at the Oklahoma Corporation Commission (OCC) on **Tuesday, December 3** for an Educational Session. This Educational Session will be an **Open Meeting in room 301 from 1:30 to 4:30.**

The intent of this Educational Session is to give:

1. A brief introduction of SPP and what Regional Transmission Operator's (RTO) are.
2. Integrated Market (IM) status
3. Transmission Congestions Right's (TCR) and 3<sup>rd</sup> parties (financial parties)
4. Planning
5. High Incremental Priority Load Study group (HIPLS)

In addition, the Public Utility Division (PUD) would like to invite all the non-member interested

parties to a “face-to-face” meeting with SPP staff to have an informal question and answer session. This meeting will be held on **Tuesday, December 3 from 9:00 to 12 noon in PUD’s Large Conference Room**. If all non-member interested parties would prepare a list of questions they would like answered and email to [d.prater@occemail.com](mailto:d.prater@occemail.com) and [t.campbell@occemail.com](mailto:t.campbell@occemail.com) by November 20th, this will allow SPP staff time to prepare for the meeting.

Also, PUD would like to include all SPP Utility Members to the face-to-face meeting for observation, however, due to space limitations we ask that only one Utility Staff Member attend in person. We will provide a call-in number at a later date for any other members who would like to monitor the meeting.

5. High Incremental Priority Load Study group (HIPLS)

In addition, the Public Utility Division (PUD) would like to invite all the non-member interested parties to a "face-to-face" meeting with SPP staff to have an informal question and answer session. This meeting will be held on **Tuesday, December 3 from 9:00 to 12 noon in PUD's Large Conference**

**Room.** If all non-member interested parties would prepare a list of questions they would like answered and email to [d.prater@occemail.com](mailto:d.prater@occemail.com) and [t.campbell@occemail.com](mailto:t.campbell@occemail.com) by November 20th, this will allow SPP staff time to prepare for the meeting.

Also, PUD would like to include all SPP Utility Members to the face-to-face meeting for observation, however, due to space limitations we ask that only one Utility Staff Member attend in person. We will provide a call-in number at a later date for any other members who would like to monitor the meeting.

**Subject:** Southwest Power Pool (SPP) Educational Session at OCC  
**Date:** 11/08/2013 11:43 AM

---

All;

I wanted to advise you that the Southwest Power Pool (SPP) will be at the Oklahoma Corporation Commission (OCC) on **Tuesday, December 3** for an Educational Session. This Educational Session will be an **Open Meeting in room 301 from 1:30 to 4:30**.

The intent of this Educational Session is to give:

1. A brief introduction of SPP and what Regional Transmission Operator's (RTO) are.
2. Integrated Market (IM) status
3. Transmission Congestions Right's (TCR) and 3<sup>rd</sup> parties (financial parties)
4. Planning
5. High Incremental Priority Load Study group (HIPLS)

In addition, the Public Utility Division (PUD) would like to invite all the non-member interested parties to a "face-to-face" meeting with SPP staff to have an informal question and answer session. This meeting will be held on **Tuesday, December 3 from 9:00 to 12 noon in PUD's Large Conference Room**. If all non-member interested parties would prepare a list of questions they would like answered and email to [d.prater@occemail.com](mailto:d.prater@occemail.com) and [t.campbell@occemail.com](mailto:t.campbell@occemail.com) by November 20th, this will allow SPP staff time to prepare for the meeting.

Also, PUD would like to include all SPP Utility Members to the face-to-face meeting for observation, however, due to space limitations we ask that only one Utility Staff Member attend in person. We will provide a call-in number at a later date for any other members who would like to monitor the meeting.

## **Electricity Consumers are reminded: Don't fall victim to the "Green Dot" scam**

AEP Texas reminds area electricity consumers that scam artists posing as electric company personnel are continuing to call customers telling them they are behind on their electric bill and threatening to disconnect their electric service. The customer is then told to purchase a "Green Dot" prepaid debit card or other type of reloadable debit card, load the card with money, and then provide the serial number from the card. Otherwise, they are told their electricity will be shut off.

## **Appalachian Power customers set new all-time peak demand**

Appalachian Power customers in Virginia, West Virginia and Tennessee set an unofficial all-time peak demand of 8,410 megawatts (MW) at 8 a.m. Tuesday, Jan. 7. Arctic cold weather across the company's entire service area helped push electricity consumption past the previous record of 8,308 MW set on Jan. 16, 2009.

I have two highly contested motions on the docket, but I'll be there afterward.

BTW, Chip - the Staff filed amended complaints attempting to correct the hearing date. Do you think they caught the 2013 reference? Nope.

In a message dated 12/4/2013 4:28:02 P.M. Central Standard Time, [cclark@cswp-law.com](mailto:cclark@cswp-law.com) writes:

coffee tomorrow? It will be cold enough we will need something to thaw us out.
